

# Water Weekly

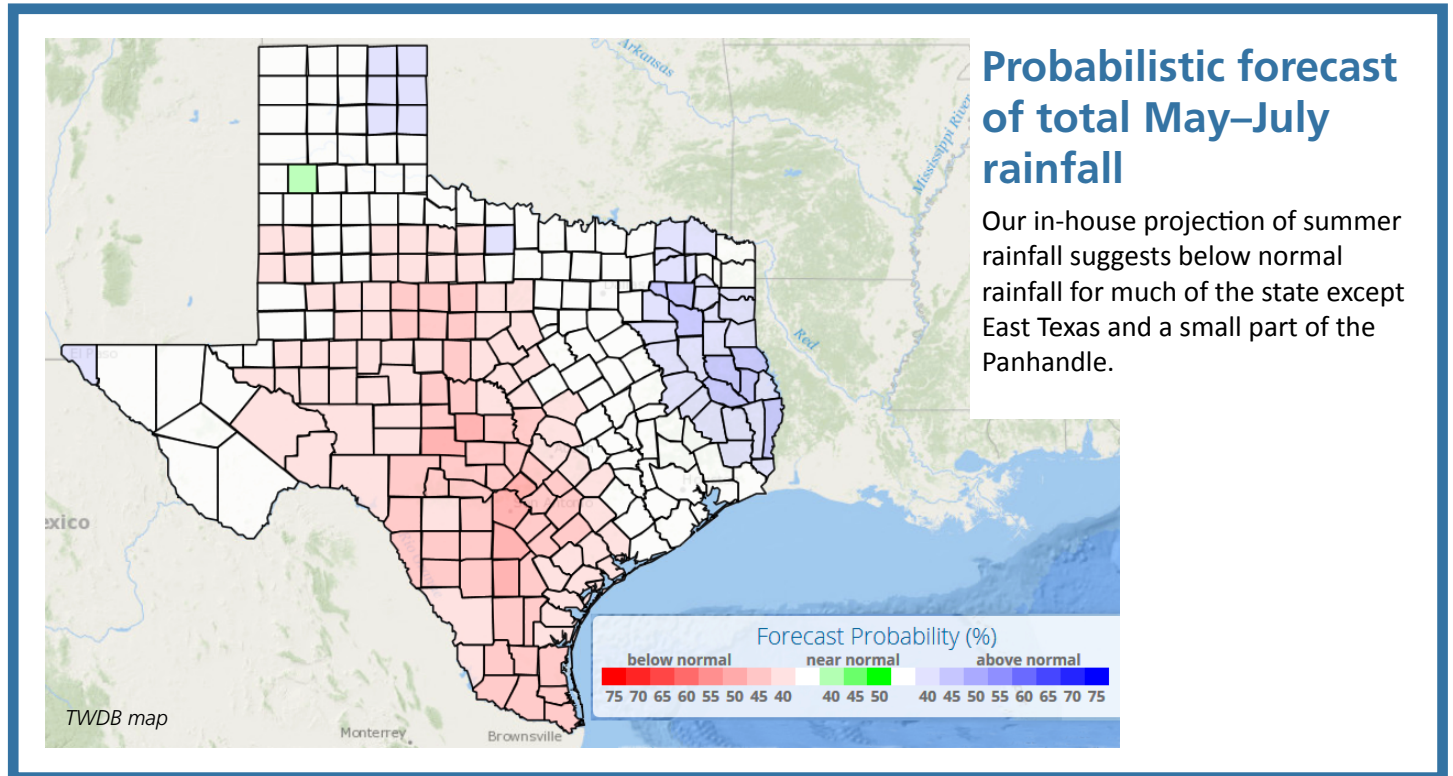

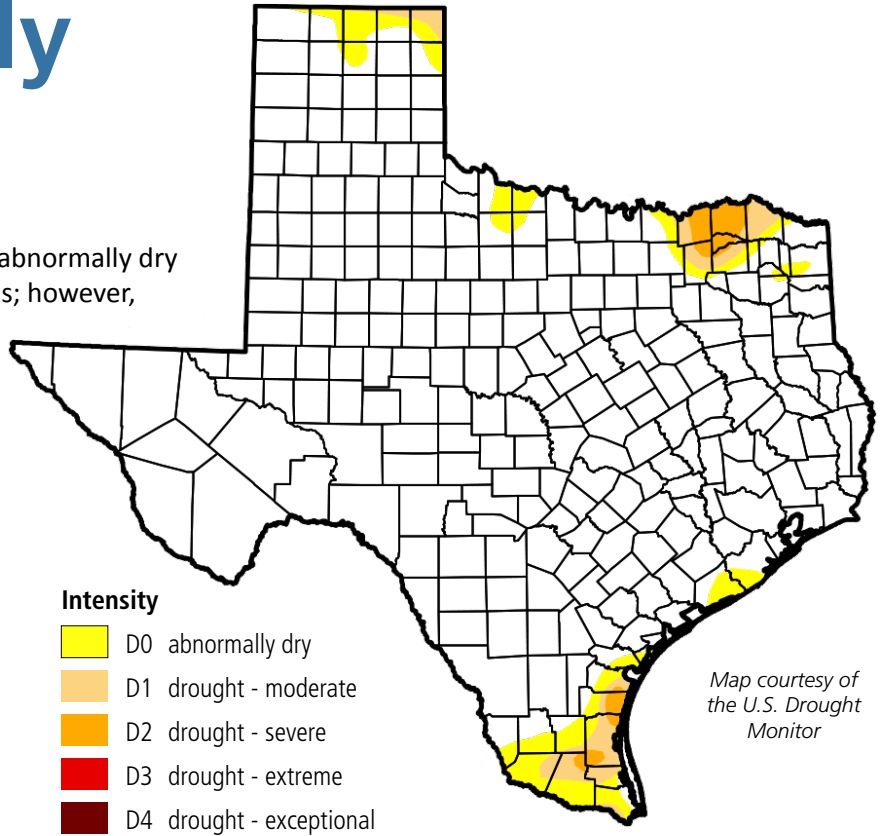

For the week of 01/30/17

## Water conditions

Last week brought us a two-thirds reduction in abnormally dry conditions in the Panhandle and northeast Texas; however, drought conditions expanded in the Corpus Christi and Lower Rio Grande Valley areas. Drought is expected to remain and expand in the Corpus Christi and Lower Rio Grande Valley areas at least through April.

### Drought conditions

- ◆ 3% now
- ◆ 4% a week ago
- ◆ 11% three months ago
- ◆ 0% a year ago
